ABOUT

A motivated and self-taught Software Developer with a passion for creating dynamic and user-friendly web applications. Proficient in the MERN/SERN stack and working experience in frontend development and project management. Dedicated to constantly learning, staying up-to-date with new technologies and eager to apply my skills to real-world projects.

TECHNICAL SKILLS

Languages/Technologies/Skills: Node.Js, Express, JavaScript, jQuery, React.js, React Native, GIT, Github, MongoDB, MySQL, HTML, CSS, Bootstrap, Media Queries, APIs, JSON, REST, AJAX, Java, Adobe Illustrator, Salesforce, Microsoft Dynamics, SAP S/4HANA, Adobe Photoshop, MS Excel, MS Powerpoint, MS Word, Java , Fiddler, Project Management, Data Analysis, Face-to-Face communication with clients, Software optimization

Projects

Procore Labs | Online learning curriculum for Procore's proprietary web application
Front-end focused software experience that onboards new users to Procore's construction management application. Built with tools created by Toonimo to fit across multiple desktop window sizes.
- Designed, deployed, and maintained software for Procore's web application.
- Main point of contact during the integration and building of 'Procore Labs'
- Manual testing across browser environments to ensure a consistent end user experience.

Veolia RPM | Integration with Toonimo and Veolia RPM Salesforce application
Built a library of automated tutorials that resided on the Veolia RPM salesforce web application.
- Integration of Toonimo's guidance software on top of Veolia's Salesforce application.
- Working directly with Veolia as a project manager to maintain software delivery expectations.

EXPERIENCE

Services Developer   2021– 2022
Toonimo   New York, New York
Using Toonimo's software to deliver digital adoption solutions for enterprise clients. Building digital adoption guidance on top of enterprise third-party applications. Implementing Toonimo's platform into various software environments and integrating with client software product life cycles. Maintaining client relationships and managing timelines and expectations for project deliveries
Key Accomplishments:
- Maintenance and creation of projects for enterprise clients
- Development, documentation, and use of Toonimo's digital adoption product
- Maintaining client expectations and timely delivery of software solutions

Retail Associate   2017– 2020
Pasta & Provisions Inc.   Charlotte, NC
Responsible for handling all customer transactions. Creating and maintaining new products. Handling sales requests from larger businesses and ensuring the transaction between the two are successful.
Key Accomplishments:
- Average sales increases of up to 80% in my tenure at the company.

EDUCATION

Certificate in Full Stack Development: University of North Carolina at Charlotte, Charlotte, NC

- Intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Bachelors in Communication: University of North Carolina at Charlotte, Charlotte, NC
